

Pedestrian and Metrolink Station Improvements Project
Project No. T-0814B, Federal Project No. HPLUL-5118 (016)

The City of Covina recently awarded the contract for the Metrolink Station Improvements Project to Hillcrest Contracting, Inc. The work will begin late February, 2015 and is expected to be completed by July 6, 2015. All work schedules are contingent upon weather conditions, and there could be delays as a result.

To minimize inconvenience and maximize your safety, parking will be prohibited in some areas during construction. Notices for parking restrictions will be posted 48 hours in advance. Expect some inconvenience during the times of construction in your area. Driveways and pedestrian paths of travel will be accessible or detour directions provided. The contractor will do everything they can to control the job site during construction for the safety of pedestrians, drivers and Metrolink train commuters as this is a heavily trafficked area.

The purpose of this project is to enhance pedestrian safety for the community, commuters and improve accessibility for the disabled. The project is comprised of pavement rehabilitation, energy efficient lighting, removal of existing landscaping, replacement with drought resistant landscaping, drainage system improvements, catch basins, PCC sidewalk, ADA access ramps, signage, stripping, pedestrian countdown signals, traffic loops and other enhancements. The project consists of three (3) phases to limit the inconvenience during construction.

- Phase 1: Front Street adjacent to the Metrolink parking structure, install new path of travel and fencing.
- Phase 2: East Front Street and Citrus Avenue, traffic signal improvements and sidewalk installation.
- Phase 3: Metrolink Parking Station and Plaza.

Expected construction hours are Monday through Friday 7:00am - 4:00pm excluding holidays, subjected to change without notice. Please allow for additional time if traveling to or around the Covina Metrolink Station. We understand that projects such as this may

cause some inconvenience to you. Your patience and cooperation will be sincerely appreciated.

If you have any questions, please contact Anne Perkins-Yin, Transportation Management Analyst with the City of Covina at 626.384.5520
